

RoHS Declaration of Conformity & UL Certification

RoHS Declaration of Conformity & UL Certification

DIRECTIVE 2011/65/UE OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) came into effect on June 08, 2011. EN L 174/88 Official Journal of the European Union 1.7.2011

According to Article 4 (1), substances subject to restrictions and their maximum concentrations permitted in homogeneous materials are defined in ANNEX II.

RoHS Compliant

The **Saveway Isolierstoffe GmbH** confirms hereby:

- a) that as of October 2008, **100% of our products** will comply with the provisions of Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.
- b) that the consideration and integration of environmental protection is a top priority in our daily work. Compliance with and application of the RoHS Directive is an integral part of our Group's commitments to continuously improve the quality management system.

The **Saveway Isolierstoffe GmbH** will also constantly review the directive alongside your attachments for enhancements and changes and will act **in accordance with the RoHS-Directive**.

Furthermore, we confirm the **UL – Certification (UL 94 / V-0)** of our materials: SW - Micanite rigid M & P & SSQ, SW - Therm M & P, SW - Micanite flex M & P and SW - Temp (the certificate is available to us).
